## APPLICATION FOR AN ALLOTMENT

We operate a waiting list for allotments. Plots are allocated following the order of the date of receipt of the application form and parishioners who do not already have an allotment will take priority over parishioners who already hold a plot. If you live outside the parish those who live in the parish will take priority.

Upon receipt of the application form your name will be added to the waiting list, and we will contact you when a plot becomes available. You will be given the opportunity to view the plot before deciding whether to take it on and sign the agreement.
