In attendance: Louise Goldsmith, Clerk, 2 members of the public

Minute No	
	1. <b>ADMINISTRATION:</b> Fire Exits, Assembly Point, Mobile Phones. No requests received to record the meeting.
266.	2. <b>APOLOGIES FOR ABSENCE:</b> An apology for absence was received from Cllr. Patterson and the reason for absence was accepted.
267.	3. <b>DECLARATION OF INTERESTS:</b> Cllr. Fenton declared an interest in agenda item 6 (c).
268.	4. <b>APPROVAL OF MINUTES</b> The minutes of the meeting held on the 31 July 2023 were signed as a true and accurate record.
269.	5. <b>OPEN SESSION</b> A member of the public spoke in support of planning proposal 23/02215/FULL. A member of the public spoke in support of planning proposal 23/02130/FULL.
	<p>6. <b>NEW PLANNING APPLICATIONS</b> <i>Planning applications to be decided by CPC</i></p> <p>a. <b>23/02215/FULL – Badsell Orchard, Badsell Road, Five Oak Green</b> Conversion of existing barn to create a five bedroom dwelling, including upward extension by 350mm to allow for insulation in the roof and to remove No. 4 living containers situated to the rear of the application building including amenity space parking and access. <b>Recommend: Approval.</b> <i>19:11hrs One member of the public left the meeting.</i></p> <p>b. <b>23/02130/FULL – Capel Gym, Orchard Brook, Five Oak Green Road, Five Oak Green</b> Part demolition of existing gym and erection of new dwelling, part conversion of existing gym to residential use in association with existing dwelling. <b>Recommend: Approval.</b> <i>19:19hrs One member of the public left the meeting.</i></p> <p>c. <b>23/01726/OUT – Capel Grange Farm, Badsell Road, Five Oak Green</b> Outline permission (All matters reserved) - erection of up to 6 dwellings. <b>Recommend: We understand that this site is a brownfield site and on this basis would be happy to approve the proposal. If it is deemed that this is not a brownfield site we would object to the proposal as we would maintain our strong stance to not support development in the greenbelt.</b></p> <p>d. <b>23/02180/FULL – Wenhams Oast, Hartlake Road, Tudeley</b> Single storey side extension. <b>Recommend: Approval.</b></p> <p>e. <b>23/02093/FULL – Deldean Yard, Five Oak Green Road, Five Oak Green</b> Variation of condition 2 of planning permission 22/02111/FULL (installation of telecoms container equipment of 12m (d) x 3.4m (w) x 3.6m (H) and associated acoustic barrier fence) – alternative siting of container. <b>Recommend: Object. We echo the reasons for TWBC refusing planning proposal 23/01730/NMAMD, (which we were not consulted on). Namely that the changes proposed within the description of the development would materially affect the residential amenity of the adjoining occupier of Chalimar. We also feel the proposed fencing would be oppressive to all the neighbours and is an excessive height. We would not want any of the fencing to be over 2m in height.</b></p>

	<p><b>Resolved: The Clerk to contact Enforcement and request that they consider the comments submitted by the neighbouring properties to this proposal. Comments have been made about the fact the ventilation grills are located at the top of the container and that these were expected to be at the bottom; that the whole container has been lifted off the ground; that the current noise levels are unacceptable.</b></p> <p>f. <b>23/02072/FULL – Coppers, Tudeley Road, Tudeley</b> Proposed single storey extension, block up of window, creation of door. <b>Recommend: Approval.</b></p> <p>g. <b>23/02063/FULL – Crockhurst Oast, Crockhurst Street, Tudeley</b> Proposed extension to existing barn and changes to fenestration including removal of doors. <b>Recommend: Approval with a condition to be set that the proposal is not to be ancillary accommodation to the main house.</b></p>
271.	<p><b>7. OUTSTANDING APPLICATIONS AWAITING TWBC RESPONSE</b> <b>Recommendation by CPC is in BOLD</b></p> <p>a. <b>23/01870/FULL: Spring Farm, Colts Hill, Five Oak Green</b> The erection of a 3no. bedroom dwelling, integral garage, vehicular access and landscaping. <b>Recommend: Support. We agree with the conclusions in the Supplementary Planning Statement. If the proposal is to be decided within delegated powers we would like to be notified.</b></p> <p>b. <b>23/01615/FULL: The Barn, Pembury Road, Capel</b> Conversion of barn to a 4 bedroom dwelling house. <b>Recommend: Support (4 in favour, 1 neutral)</b></p> <p>c. <b>23/01812/PN14J: Moat Farm, Whetsted Road, Five Oak Green</b> Prior Notification for proposed 267kW roof mounted solar PV array comprising of 704 x Canadian Solar 380w modules. For its prior approval for design and external appearance, in particular the impact of glare on occupiers of neighbouring land. <b>Recommend: Support.</b></p> <p>d. <b>23/00118/HYBRID: Land West Of Queen Street, Paddock Wood</b> Full Application for erection of 170 homes and Waste Water Treatment Works together with temporary construction/haul road off Queen Street to enable the delivery of the Waste Water Treatment Works and up to 150 dwellings, Outline Application (appearance, landscaping, layout and scale reserved) for the erection of up to 430 additional homes, inclusive of associated infrastructure including land for a new primary school, play areas, allotments, network of new roads (and widening of existing roads), surface water drainage features, car and cycle parking and open space and associated works. <b>Recommend: Object.</b></p> <p>e. <b>23/00086/HYBRID: Land West Of Queen Street And Mile Oak Road, Paddock Wood</b> Full Application for erection of 160 homes. Outline Application (appearance, landscaping, layout and scale reserved) for the erection of up to 400 additional homes, inclusive of associated infrastructure including land for specialist accommodation for the elderly, land for secondary school expansion, a local centre, play areas, network of new roads (and widening of existing roads), surface water drainage features, car and cycle parking and open space and associated works. <b>Recommend: Object.</b></p> <p>f. <b>23/00091/HYBRID: Land West Of Queen Street, Paddock Wood</b> Construction of bus, pedestrian and cycle link between land at Church Farm and Land West Of Queen Street, together with associated works. <b>Recommend: Object.</b></p> <p>g. <b>22/03563/FULL: Reeds Solar Farm, Alders Road, Capel</b> Revised details. Construction and operation of a solar photovoltaic (PV) farm and battery storage facility with all associated works, equipment and necessary infrastructure. <b>Recommend: Refusal. We do not feel that our previous concerns, listed below, nor those of the statutory consultees have been addressed. We agree with the conclusions of the Landscape and Biodiversity Officer. We also echo the comments from the CPRE. The boundary of the High Weald Area of Outstanding Natural Beauty runs along Alders Road. The proposed solar farm is in the High Weald National Character Area and forms part of the setting of the AONB. We would like to remind TWBC that Alders Lane is designated as a</b></p>

historic routeway and that the proposed alterations to provide the necessary visibility splay for the access to the site would have a seriously detrimental effect on the character of the area.

**Previous Comments:** Recommend Refusal. We note that most of the professional statutory consultees object/have concerns about to the proposal and have asked for additional information. We share their concerns and in particular in relation to the following:

1. Highway safety - Alders Road is a rural lane which is completely inappropriate for the construction traffic needed. The entrance to the site with a large dip in the ground adjoining a sharp bend in the road will present a danger to construction traffic and other users.

Please note the junction with the A228 Colts Hill is dangerous and has a record of accidents. The Parish Council could not see how this could be mitigated.

2. The site is adjoining and visible from the AONB - there seems to be no assessment of the impact of the site development on the AONB.

3. Although there are assessments of the impact of the development on the listed buildings adjoining the site there is no assessment of the impact on the buildings of this historic rural farmstead taken as a whole. There is no mention of the heritage of this area which is referred to in our emerging Neighbourhood Development Plan. The assessment of harm posed by this development is therefore understated.

4. The site is in the Green Belt and is the last producer of hops in the parish (far from being in decline it has expanded its acreage in the recent past). Although we cannot lay down which crops are produced we would draw your attention to the fact that 75% of the land is Category 2 or 3a best and most versatile land which would seem a waste, given the derelict heritage orchard next door. Capel is really the historic heart of hop growing and to lose the last hop garden and its very fertile soil is not just a big loss for the cultural history of the parish, but also for Kent as a whole.

5. We would draw your attention to the comments of KCC Flood and water management on the inadequacy of the surface water drainage strategy prepared by AECOM. In addition we would point out that the root structure of the hops (some of which are forty years old) are very water demanding. Their removal would increase the likelihood of surface flooding. This seems not to have been taken into account.

6. We would echo the comments of KCC Archaeology on the weakness of the Archaeological DBA, which like many of the assessments seems to have been done as desktop exercises with little familiarity with the site.

7. We would draw your attention to the comments from Kent Police that the proposed fencing is not suitable for providing the necessary security.

8. We feel there is insufficient screening of the area and do not agree for with their calculations for biodiversity.

9. We are concerned about the cumulative impact of 3 solar farms on the landscape and footpath network in our parish.

The Parish Council also request that if TWBC are minded to approve, despite the above, that it be subject to a Section 106 request for a contribution to leisure facilities (planned new village hall) and/or highways (planned 40 mph speed limit on Alders Road) given the extra burden this will place on the community
