- l. **22/03563/FULL: Reeds Solar Farm, Alders Road, Capel**  
Revised details. Construction and operation of a solar photovoltaic (PV) farm and battery storage facility with all associated works, equipment and necessary infrastructure.  
**Recommend: Refusal. We do not feel that our previous concerns, listed below, nor those of the statutory consultees have been addressed. We agree with the conclusions of the Landscape and Biodiversity Officer. We also echo the comments from the CPRE. The boundary of the High Weald Area of Outstanding Natural Beauty runs along Alders Road. The proposed solar farm is in the High Weald National Character Area and forms part of the setting of the AONB. We would like to remind TWBC that Alders Lane is designated as a historic routeway and that the proposed alterations to provide the necessary visibility splay**

	<p>for the access to the site would have a seriously detrimental effect on the character of the area.</p> <p><b>Previous Comments:</b> Recommend Refusal. We note that most of the professional statutory consultees object/have concerns about to the proposal and have asked for additional information. We share their concerns and in particular in relation to the following:</p> <ol style="list-style-type: none"> <li>1. Highway safety - Alders Road is a rural lane which is completely inappropriate for the construction traffic needed. The entrance to the site with a large dip in the ground adjoining a sharp bend in the road will present a danger to construction traffic and other users. Please note the junction with the A228 Colts Hill is dangerous and has a record of accidents. The Parish Council could not see how this could be mitigated.</li> <li>2. The site is adjoining and visible from the AONB - there seems to be no assessment of the impact of the site development on the AONB.</li> <li>3. Although there are assessments of the impact of the development on the listed buildings adjoining the site there is no assessment of the impact on the buildings of this historic rural farmstead taken as a whole. There is no mention of the heritage of this area which is referred to in our emerging Neighbourhood Development Plan. The assessment of harm posed by this development is therefore understated.</li> <li>4. The site is in the Green Belt and is the last producer of hops in the parish (far from being in decline it has expanded its acreage in the recent past). Although we cannot lay down which crops are produced we would draw you attention to the fact that 75% of the land is Category 2 or 3a best and most versatile land which would seem a waste, given the derelict heritage orchard next door. Capel is really the historic heart of hop growing and to lose the last hop garden and its very fertile soil is not just a big loss for the cultural history of the parish, but also for Kent as a whole.</li> <li>5. We would draw your attention to the comments of KCC Flood and water management on the inadequacy of the surface water drainage strategy prepared by AECOM. In addition we would point out that the root structure of the hops (some of which are forty years old) are very water demanding. Their removal would increase the likelihood of surface flooding. This seems not to have been taken into account.</li> <li>6. We would echo the comments of KCC Archaeology on the weakness of the Archaeological DBA, which like many of the assessments seems to have been done as desktop exercises with little familiarity with the site.</li> <li>7. We would draw your attention to the comments from Kent Police that the proposed fencing is not suitable for providing the necessary security.</li> <li>8. We feel there is insufficient screening of the area and do not agree for with their calculations for biodiversity.</li> <li>9. We are concerned about the cumulative impact of 3 solar farms on the landscape and footpath network in our parish.</li> </ol> <p>The Parish Council also request that if TWBC are minded to approve, despite the above, that it be subject to a Section 106 request for a contribution to leisure facilities (planned new village hall) and/or highways (planned 40 mph speed limit on Alders Road) given the extra burden this will place on the community</p>
290.	<p>8. <b>TUNBRIDGE WELLS BOROUGH COUNCIL DECISIONS.</b>  <i>Outstanding planning applications decided by TWBC shall appear once decided.</i>  <b>Recommendation by CPC is in BOLD. *TWBC Planning Decision is in Italics</b></p> <ol style="list-style-type: none"> <li>a. <b>23/02063/FULL: Crockhurst Oast, Crockhurst Street, Tudeley</b>  Proposed extension to existing barn and changes to fenestration including removal of doors.  <b>Recommend: Approval with a condition to be set that the proposal is not to be ancillary accommodation to the main house. *Permitted.</b></li> <li>b. <b>23/02072/FULL: Coppers, Tudeley Road, Tudeley</b>  Proposed single storey extension, block up of window, creation of door.  <b>Recommend: Approval. *Permitted.</b></li> <li>c. <b>23/02093/FULL: Deldean Yard, Five Oak Green Road, Five Oak Green</b>  Variation of condition 2 of planning permission 22/02111/FULL (installation of telecoms container equipment of 12m (d) x 3.4m (w) x 3.6m (H) and associated acoustic barrier fence) – alternative siting of container.  <b>Recommend: Object. We echo the reasons for TWBC refusing planning proposal 23/01730/NMAMD, (which we were not consulted on). Namely that the changes proposed within the description of the development would materially affect the residential amenity of the adjoining occupier of Chalimar. We also feel the proposed fencing would be oppressive</b></li> </ol>

	<p><b>to all the neighbours and is an excessive height. We would not want any of the fencing to be over 2m in height. <i>*Refused.</i></b></p> <p>d. <b>23/02130/FULL: Capel Gym, Orchard Brook, Five Oak Green Road, Five Oak Green</b> Part demolition of existing gym and erection of new dwelling, part conversion of existing gym to residential use in association with existing dwelling. <b>Recommend: Approval. <i>*Permitted.</i></b></p> <p>e. <b>23/02180/FULL: Wenhams Oast, Hartlake Road, Tudeley</b> Single storey side extension. <b>Recommend: Approval. <i>*Permitted.</i></b></p> <p>f. <b>23/02215/FULL: Badsell Orchard, Badsell Road, Five Oak Green</b> Conversion of existing barn to create a five bedroom dwelling, including upward extension by 350mm to allow for insulation in the roof and to remove No. 4 living containers situated to the rear of the application building including amenity space parking and access. <b>Recommend: Approval. <i>*Permitted.</i></b></p>
291.	<p>9. <b>OTHER MATTERS</b></p> <p>a. <b>Deldean Yard, Five Oak Green Road, Five Oak Green:</b> Enforcement issues.</p> <p>b. <b>Top Lodge, Pembury Road, Capel:</b> Appeal against Enforcement Notice T018570 – without planning permission the construction of a gymnasium outbuilding within the curtilage of a listed building (ref: 21/03419/FULL)</p>
