

# CAPEL PARISH COUNCIL

## Minutes of a Planning Committee Meeting held on Monday 29 July 2024 at Capel Village Hall, Falmouth Place, Five Oak Green TN12 6RD at 19:00hrs

Present: Cllrs. Saunders, (Chair), Malpas and Patterson  
In attendance: Louise Goldsmith, Clerk, 1 member of the public

Minute No	
	1. <b>ADMINISTRATION:</b> Fire Exits, Assembly Point, Mobile Phones. No requests received to record the meeting.
365.	2. <b>APOLOGIES FOR ABSENCE:</b> An apology for absence was received from Cllr. Mackonochie and the reason for absence was accepted.
366.	3. <b>DECLARATION OF INTERESTS:</b> None received.
367.	4. <b>APPROVAL OF MINUTES</b> The minutes of the meeting held on the 1 July 2024 were signed as a true and accurate record.
368.	5. <b>OPEN SESSION</b> No comments made.
369.	6. <b>NEW PLANNING APPLICATIONS</b> <i>Planning applications to be decided by CPC</i> <ol style="list-style-type: none"> <li>a. <b>24/01599/FULL: 1 Kings Head Cottages, Five Oak Green Road, Five Oak Green</b> Single Storey rear extension. <b>Recommend: Approval.</b></li> <li>b. <b>24/01716/AGRIC: Whetsted Farm, Whetsted Road, Five Oak Green</b> Prior Notification of agricultural development - Erection of agricultural building. <b>Noted: Prior notification is not required.</b></li> </ol>
370.	7. <b>OUTSTANDING APPLICATIONS AWAITING TWBC RESPONSE</b> <ol style="list-style-type: none"> <li>a. <b>23/03025/FULL: Colt Cottage, Postern Lane, Tonbridge</b> Removal of existing dwelling and barn. Erection of replacement dwelling; with associated parking, turning, landscaping, private amenity space and access. <b>Recommend: No objection. We would like a condition set that no further residential building works take place within the existing curtilage.</b></li> <li>b. <b>24//00179/FULL: Land to the north of the Oast Barn, Whetsted Road, Five Oak Green</b> Proposed new barn, repositioned access, track and associated works. <b>Recommend: Approval.</b></li> <li>c. <b>24/00408/FULL: Tatlingbury Oast, Five Oak Green Road, Five Oak Green</b> Change of use from general office space (Class E) to function rooms (Sui Generis). <b>Recommend: No objection.</b></li> <li>d. <b>24/00555/FULL: Tricklebrook Fishery, Colts Hill, Five Oak Green</b> Erection of baliffs dwelling and change of use of existing baliffs lodge to short-term holiday let. <b>Recommend: Objection. We are concerned about the additional traffic movements on this busy stretch of road particularly as it would bring people unfamiliar with the road into the area. We also feel this is an overdevelopment of the site. The fishery business and holiday homes seem to have conflated.</b> <b>Recommend: No comment.</b></li> <li>e. <b>24/01346/FULL: The Coach House, Capel Grange, Badsell Road, Five Oak Green</b> Dormer window to front elevation. <b>Recommend: No objection.</b></li> </ol>

- f. **24/00684/REM: Land East of Kingstanding Way, Royal Tunbridge Wells**  
Approval of Reserved Matters (access, appearance, landscaping, layout, scale) including details for Condition 2; Condition 6; Condition 39; Condition 41 pursuant to 23/03103/FULL for Variation of Conditions 3 and 4 of 22/02789/FULL – to allow the redistribution of B1 and B8 uses.  
**Recommend: No comment.**
- g. **24/01440/FULL: 3 Somerhill Cottages, Crockhurst Street, Tudeley**  
Construction of a log cabin in garden.  
**Recommend: No objection.**
- h. **24/01465/FULL: 44 Nortons Way, Five Oak Green**  
Erection of ancillary annexe.  
**Recommend: Refusal until a flood risk assessment is carried out as recommended by the Environment Agency.**
- i. **24/01395/FULL: North View, Five Oak Green Road, Five Oak Green**  
Replacement dwelling.  
**Recommend: Refusal we would like to see the comments to be made by the Environment Agency on the recently uploaded flood risk assessment. The historic information suggests that the drainage is shared with the adjoining property and may be inadequate. Nowhere is the capacity of the drainage shown and we would like this to be drawn to the attention of the Environment Agency.**
- j. **23/00118/HYBRID: Land West Of Queen Street, Paddock Wood**  
Full Application for erection of 170 homes and Waste Water Treatment Works together with temporary construction/haul road off Queen Street to enable the delivery of the Waste Water Treatment Works and up to 150 dwellings, Outline Application (appearance, landscaping, layout and scale reserved) for the erection of up to 430 additional homes, inclusive of associated infrastructure including land for a new primary school, play areas, allotments, network of new roads (and widening of existing roads), surface water drainage features, car and cycle parking and open space and associated works. **Recommend: Object.**
- k. **23/00086/HYBRID: Land West Of Queen Street And Mile Oak Road, Paddock Wood**  
Full Application for erection of 160 homes. Outline Application (appearance, landscaping, layout and scale reserved) for the erection of up to 400 additional homes, inclusive of associated infrastructure including land for specialist accommodation for the elderly, land for secondary school expansion, a local centre, play areas, network of new roads (and widening of existing roads), surface water drainage features, car and cycle parking and open space and associated works.  
**Recommend: Object.**
- l. **23/00091/HYBRID: Land West Of Queen Street, Paddock Wood**  
Construction of bus, pedestrian and cycle link between land at Church Farm and Land West Of Queen Street, together with associated works.  
**Recommend: Object.**
- m. **22/03563/FULL: Reeds Solar Farm, Alders Road, Capel**  
Revised details. Construction and operation of a solar photovoltaic (PV) farm and battery storage facility with all associated works, equipment and necessary infrastructure.  
**Recommend: Refusal. We do not feel that our previous concerns, listed below, nor those of the statutory consultees have been addressed. We agree with the conclusions of the Landscape and Biodiversity Officer. We also echo the comments from the CPRE. The boundary of the High Weald Area of Outstanding Natural Beauty runs along Alders Road. The proposed solar farm is in the High Weald National Character Area and forms part of the setting of the AONB. We would like to remind TWBC that Alders Lane is designated as a historic routeway and that the proposed alterations to provide the necessary visibility splay for the access to the site would have a seriously detrimental effect on the character of the area.**  
**Previous Comments: Recommend Refusal. We note that most of the professional statutory consultees object/have concerns about the proposal and have asked for additional information. We share their concerns and in particular in relation to the following:**  
**1. Highway safety - Alders Road is a rural lane which is completely inappropriate for the construction traffic needed. The entrance to the site with a large dip in the ground adjoining a sharp bend in the road will present a danger to construction traffic and other users. Please note the junction with the A228 Colts Hill is dangerous and has a record of accidents. The Parish Council could not see how this could be mitigated.**

	<p>2. The site is adjoining and visible from the AONB - there seems to be no assessment of the impact of the site development on the AONB.</p> <p>3. Although there are assessments of the impact of the development on the listed buildings adjoining the site there is no assessment of the impact on the buildings of this historic rural farmstead taken as a whole. There is no mention of the heritage of this area which is referred to in our emerging Neighbourhood Development Plan. The assessment of harm posed by this development is therefore understated.</p> <p>4. The site is in the Green Belt and is the last producer of hops in the parish (far from being in decline it has expanded its acreage in the recent past). Although we cannot lay down which crops are produced we would draw your attention to the fact that 75% of the land is Category 2 or 3a best and most versatile land which would seem a waste, given the derelict heritage orchard next door. Capel is really the historic heart of hop growing and to lose the last hop garden and its very fertile soil is not just a big loss for the cultural history of the parish, but also for Kent as a whole.</p> <p>5. We would draw your attention to the comments of KCC Flood and water management on the inadequacy of the surface water drainage strategy prepared by AECOM. In addition we would point out that the root structure of the hops (some of which are forty years old) are very water demanding. Their removal would increase the likelihood of surface flooding. This seems not to have been taken into account.</p> <p>6. We would echo the comments of KCC Archaeology on the weakness of the Archaeological DBA, which like many of the assessments seems to have been done as desktop exercises with little familiarity with the site.</p> <p>7. We would draw your attention to the comments from Kent Police that the proposed fencing is not suitable for providing the necessary security.</p> <p>8. We feel there is insufficient screening of the area and do not agree for with their calculations for biodiversity.</p> <p>9. We are concerned about the cumulative impact of 3 solar farms on the landscape and footpath network in our parish.</p> <p>The Parish Council also request that if TWBC are minded to approve, despite the above, that it be subject to a Section 106 request for a contribution to leisure facilities (planned new village hall) and/or highways (planned 40 mph speed limit on Alders Road) given the extra burden this will place on the community.</p>
371.	<p>8. <b>TUNBRIDGE WELLS BOROUGH COUNCIL DECISIONS.</b>  <i>Outstanding planning applications decided by TWBC shall appear once decided.</i>  <b>Recommendation by CPC is in BOLD. *TWBC Planning Decision is in Italics</b></p> <p>a. <b>24/01340/FULL: 2 Colts Hill Place, Colts Hill, Five Oak Green</b>  Single storey rear extension and associated works.  <b>Recommend: Approval as a minor domestic extension. *Permitted.</b></p> <p>b. <b>24/01352/ADV: Hendy Peugeot, Brook Farm, Five Oak Green</b>  Advertisement – External building signage.  <b>Recommend: Refusal until we have received detailed information about the proposed illumination as per the policy on dark skies in our emerging Neighbourhood Plan.</b>  <i>*Permitted.</i></p> <p>c. <b>24/01068/FULL: 3 Hamlet Cottages, Old Whetsted Road, Five Oak Green</b>  Erection of two storey side extension and minor landscaping works. Minor alterations to interior arrangement of existing structure. Landscaping works which consist of the covering of the open drain.  <b>Recommend: No objection. *Permitted.</b></p> <p>d. <b>24/01296/LBC: Half Moon Cottage, Half Moon Lane, Tudeley</b>  Listed Building Consent: Provide lateral restraint to front external brick wall using 4 x Helifix tiles.  <b>Recommend: Refer to Conservation Officer. *Permitted.</b></p> <p>e. <b>24/00690/REM: Land East of Kingstanding Way, Royal Tunbridge Wells</b>  Approval of Reserved Matters (access, appearance, landscaping, layout, scale) including details for Condition 2; Condition 6; Condition 39; Condition 41 pursuant to 22/02789/FULL for the Amendment to approved application 19/02267/OUT (Alteration to conditions 2 and 3) to allow redistribution of B1 and B8 uses.  <b>Recommend: No comment. *Application withdrawn.</b></p>

372.	<p><b>9. OTHER MATTERS:</b></p> <p><b>a. FS-Case-547362832 Deldean Yard, Five Oak Green Road, Five Oak Green:</b>  Enforcement has advised the container unit as it sits currently is in compliance with approved plans (this includes the location, number of condensers etc.). The current SUB (application ref. 24/00789/SUB) requires details to be submitted for the mitigation of noise under condition 4. The initial noise survey was insufficient and so the condition has not yet been discharged. The Agent is awaiting details from the Applicant regarding the installation of acoustic enclosures around the condensers by way of mitigating the noise and will carry out an updated Acoustic Assessment once installed. Environmental Protection will then be reconsulted for comment on the updated Acoustic Assessment. The details submitted for condition 5 (ICNIRP compliance declaration) are sufficient.</p> <p><b>b. Chapel Court Yard, Alders Road: Alleged breach of planning conditions:</b>  There was no update from Enforcement regarding the fact the owners of the yard are in breach of a Section 52 Order.</p>
373.	<p><b>10. DATE OF NEXT MEETING:</b>  Monday 2 September 2024 at 19:00hrs</p>

With no further business to discuss the meeting closed at 19:08hrs
